

Group 1: Tipsy Hippos

Zane, Kamron, Jeffrey, Quinn

App Title: Tipsy Crane

Target Audience: Moderate, 13 and up

Overview of App: Hanging on to crane, based on human elevator game in Alice in borderland, mini games will be at certain points when you are riding the crane up, if you fail to complete the 3 mini games at the certain points you fall splat.

Core Functionality

- Memory matching card game: view the cards and when they turn over you click them to match them
- Game gives you inputs to press, you must press them in a chain, if the player misinputs anything, they instantly lose the game, 5 inputs for example
- Mini game where there is a graphic of a bar sliding back and forth and the players has to use space bar to hit the target several times.
